JL177	29375	White	
JL178	29376	Yellow	
JL834	29379	Black	

FOOD HYGIENE BUCKETS

- Ideal for transporting cleaning chemicals as well as hot or cold ingredients
- Features a sturdy stainless steel handle
- Calibrated for a variety of measuring units molded into the inside of the pail
- Flat back side reduces contact with the user's legs to prevent spillage, stores easily using the coordinating wall bracket, and allows Vikan® scoops to be hung on the bucket rim
- Accessible hand grip is raised from the base on the back side of the pail for an easy grip
- No-drip spout is designed for easy pouring and to prevent liquid from running down the pail
- Grips along the top of the bucket allow for a lid to snap in place (sold separately)
- Drainage hole on the back allows water to escape when the bucket is hung upside down
- Colour-coded to support food safety material handling, cleaning, and sanitation programs
- Accepted for use in Canadian food processing facilities
