SQUIDS® TOOL LANYARD

- Patented lightweight aluminum carabiner with double action self-locking gate connects to tools like wrenches, grinders, drills, impact drivers, and more
- Tether keeps tools weighing 0.5 lbs. in a retracted state and prevents tools weighing 5 lbs. (**SGS628**) or 8 lbs. (**SGS627**) from falling on people or objects below
- ABS plastic housing protects the internal components with a cut-resistant Dyneema® cord with a durable protected weave to hold up in tough environments
- Retractable design limits snags, tangles and tripping hazards
- Trigger switch locks cord into fixed lengths to take the tension out
- A red cord is revealed when exposed to forces exceeding 110 lbs., letting the user know if a drop has occurred
- Length: 48"
- Retracted Length: 10"
- Lanyard Weight: 0.5 lbs
- Third-party certified to meet the ANSI/ISEA 121-2018 Standard
